

X STAND (24" x 60") BANNER PRINTS WITH STANDS

Print Bleed Guide

Remove the template layer before uploading your artwork.

Bleed Line

Extend background color or artwork to this line to avoid any white edges from the trimming process.

Cut Line

This is where we aim to trim the product. The actual line can vary due to the trimming process.

Safe Line

Keep text and important imagery within this line to ensure it does not get cut off during trimming.

The diagram illustrates the print bleed guide for a 24x60 inch banner. It features a grey rectangular border representing the 'Bleed Line'. Inside this, a red dashed line represents the 'Cut Line', and a green dashed line represents the 'Safe Line'. The 'Safe Line' is the innermost, followed by the 'Cut Line', and the 'Bleed Line' is the outermost. Three colored dots (grey, red, and green) are placed at the top-left corner of each respective line, with horizontal dashed lines extending from them to the left. A solid grey line also extends from the top-left dot of the 'Bleed Line' to the left.

Final Cut Size: 24 x 60 (Inch)
Artwork with Bleed: 24 x 60 (Inch)
